**Steve Gervais** is a native of the State of Washington and coached high school football for over 30 years. As a head coach, he won 15 league championships and six state titles. Steve was an assistant coach at the University of Washington and also an Athletic Director at Bishop Blanchet High School. Over the years of competing, a common denominator for his teams was the attendance at a summer team camp. While at camp, player's skills improved, team unity was strengthened and an attitude and belief developed that anything was achievable. It is for this reason, Steve created the "Gridiron of Champions" Team Football Camp. His goal is to enable both the coaches and individual athletes develop the team skills and mental edge to compete for a Championship season.

### **THE BASICS:**

Gridiron of Champions is a full-contact commuter camp for high school football programs. Steve Gervais Academy will be hosting the 2021 camp at two separate locations. The first session is at Starfire Sports Complex in Tukwila, WA and the second session at Mariner High School in South Everett.

### **ON THE FIELD:**

Throughout the camp, individual instruction will be provided by the athlete's high school coaching staff. This allows the coaches from each high school to maximize the time spent with their team members. Following individual instruction, each team will be involved in a team session. During this time, teams will have an opportunity to compete against one another. The Gridiron Camp staff will be on hand to help coaches and athletes in any way possible.

### **ATHLETIC TRAINERS:**

Certified athletic trainers will be on site for all practices and will be available to assist athletes with any needs that arise.
